SPEAKER BAACK: Thank you, Senator Robinson. Discussion. Senator Lynch.

SENATOR LYNCH: Mr. Speaker and members, although Mr. Davis votes in Senator Robinson's district, he makes his music in mine. I may not have a major bank and I just got a high school, and I'm saying this to music, but I won't hum because it's western and I don't think he does western, necessarily. But I just did want to say I think it is appropriate. His style is obviously very popular and the industry he brings to Nebraska and to my district is obviously important as well. And, with that, I will say good night, and thank you very much.

SPEAKER BAACK: Thank you, Senator Lynch. Anyone else wishing to discuss the resolution? Seeing no one, we will vote on the resolution. All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.
